Deluxe 695

Letti gemelli

In the Deluxe 695 with twin beds, the living area features a **half L-shaped dinette** designed to encourage onboard conviviality, which also offers two certified travel seats when needed.

Above it, the **electric drop-down bed** provides a ready-to-use sleeping solution at any time.

The kitchen is elegant and well-equipped, while the bathroom is designed for maximum space efficiency thanks to the pivoting “Vario” wall, which separates the **WC** and **shower**.

At the rear, the iconic rear twin-bed configuration ensures easy access and a restful night's sleep.
