Rear Round Dinette

The highlight of this layout is the **rear round dinette**, a spacious and welcoming area designed for relaxing and socialising in every season. Above it, an **electric drop-down double bed** offers two ready-to-use sleeping berths, while the dinette itself can easily convert

into an additional bed when required.

The compact **kitchen** comes fully equipped, and the **bathroom**, among the largest in its class, provides separate shower and toilet facilities, ensuring maximum comfort within a truly compact motorhome.
